HOT NEW PRODUCT!

WHAT IT IS A treatment for bug bites made from an all-natural blend of sweet almond oil, lavender, camomile and lemon essence in a cute, slip-in-your-bag-size roll-on.

Florame
After Itching Roller
Bal. \$13.75
800-850-2940
florame.com

WHAT IT DOES Soothes bites and prevents them from getting infected. Dubious, I carried it around one weekend at the beach and tested it on a nasty mosquito bite. It really worked: The sting was just about gone in seconds.
